

## INTERNATIONAL EXECUTIVE COUNCIL (IEC)

This is the FPI's highest International Governing body, currently led by the Executive President and founder of the FPI, composed of 4 officials: the Executive President, the Deputy Executive President, the Chief Executive, and one Executive Member. The governance body is responsible for the approval of projects and policies agreed upon by the International General Council (IGC), it meets 3 times each year physically and holds several online sittings to approve and deliberate on matters arising from the organisation's operations, this Executive arm of the FPI meets with all governance bodies at regular intervals.
